COUNTY & REGIONAL PATHWAYS

COUNTY – KENT kenthockey.org.uk

The county is gradually rolling out the Single System. In season 2009/10 it is dealing with the under 13s and under 14s (girls and boys). Each year afterwards you add a new age group (so in 2010/11 add the U15s). As a result, we have a hybrid system at present, and so as a new age group is added to the SS it is removed from the old system.

Single System - the County Junior Co-ordinator is responsible for heading up the system across the KHA area, and is the contact for the Kent JACs. Selection is made at the JACs for representation at the JRPCs (regional). A SS pathway diagram is attached, and on the noticeboard in the clubhouse.
